

Biolime[®] H90

POWERFUL NATURAL DISINFECTANT

Made in
BRITAIN

Hydrated Lime specially made
for Agriculture by Singleton Birch

Why use Biolime® H90?

Biolime® H90 is hydrated lime (calcium hydroxide) specially made for agriculture and is an approved biocide. The product creates a stable alkali environment which will inhibit bacterial growth, improve biosecurity and reduce odours.

- ✓ Kills bacteria
- ✓ Cost effective
- ✓ Easily applied
- ✓ Lasting protection
- ✓ No surface preparation
